

The opportunities in this
Semi-Annual Sale of
Saks Suits for Men
Reduced from
\$28, \$25, \$23 and \$20—to
\$17

are great, and that
is all there is to it!!

Reductions at this season are thicker than flies, but there is only one sale like this. Its outstanding feature is, that we make all the sacrifice and you reap all the gain. Every suit is regular stock, every suit is actually reduced from a former price, and the selections are free from the customary sale limitations. Buy a couple of suits now, wear them through the humidity, and then lay them away against next season's prices, which promise to be the highest ever known for clothes.
